

POCT AFRICA 2020

Improving patient health outcomes in Africa through Point of Care Testing

13 March 2020

RE: POCT AFRICA 2020 CONFERENCE POSTPONEMENT ANNOUNCEMENT

Dear POCT Africa 2020 Participant,

It is with great regret, on behalf of the Local Organising Committee, that I announce the postponement of POCT Africa 2020 Conference, due to unfolding events beyond our control.

The event will be held as soon as the situation over the Covid 19 becomes clearer. The safety of all our participants is of concern to us, thus the postponement.

We thank you for your understanding and continued support and look forward to welcoming you to POCT Africa in the near future.

Best Wishes,

Prof Tandi Matsha
Chair
POCT Africa 2020
